Descripci??n de la propiedad:

Sayulita's unique tree house, designed by David Myles, offers a live-up/rent-down opportunity. This home blends nature with modern living through open, airy spaces. The ground floor features a two-story living quarter with a full kitchen, filtered water, powder room, and built-in couch. The second-floor bedroom includes a king bed, ensuite bathroom, and expansive views. A private staircase leads to the third level's main living quarters, with an open-concept living space, dining area, full kitchen, living room and ocean views. There is also a full bathroom, storage, and laundry room. The primary bedroom offers ample storage. Atop Casa Arbol is a patio lounge with treetop views and an outdoor kitchen. Eco-conscious features include a biodigester, irrigation system, and solar panels.
