Living in Puerto Vallarta will be a dream come true. Oasis is a place defined by lush gardens, leisure pools and sun shaded terraces overlooking Rivera Cuale's tropical landscape. A tranquil atmosphere is embraced by the relaxing sound of Cuale's flowing waters and old town's day to day life.

This corner condo is unique in its design and is not your standard cookie cutter layout. This spacious one-bedroom condo wraps around the north and east side of the building bathing the condo in morning light. The oversized west facing terrace offers peace and tranquility with a view towards the adjacent majestic mountain. This condo features a cleverly designed "L" shaped kitchen and 10.5 foot high ceilings making this condo appear larger than its opulent 792 square feet.
